

GUSTAVO HENRIQUE ALVES

JR. PROGRAMMER

Work Experience

Junior Programmer

Tunts Corp, Curitiba, Paraná
Mar 2022 - Current

- Development of new features and bug fixes in the PDA-On WMS app using Java for Android.
- We use Gitlab as a repository and Jira to manage the tasks for each sprint.

IT Intern

Tunts Corp, Curitiba, Paraná
Mar 2021 - Mar 2022

- Bug fixes in alt.bank app using Flutter on the front-end and Java on the backend.
- I had experience using both Github and Gitlab while I was part of this team.
- We used Jira as a task management tool.
